

2nd ANNUAL
**HEALTH, WEALTH
& ENTREPRENEURSHIP**
WOMEN'S CONFERENCE

Join this year's conversation
Topics to include:

Health

- Taking the pulse of health news stories: what's hype, what's hope?
- Can you believe what your mammogram tells you?
- How sweet it is: new inroads into preventing diabetes
- Don't pay at the pump: keeping your heart healthier

Wealth

- A mattress for your money: is the lack of interest by the banks killing your savings? Where to turn.
- What kind of economy is going to emerge? How can we position for success?
- Corporate responsibility & women at the table

Entrepreneurship

- Bartering your small business into something bigger
- Emerging markets & opportunities
- How we grew (census). Florida gains seats and the implications on our economy

Emerging Technology

- Adding another E to H, W, E: How new technologies are turning the virtual into what works for your health, wealth and entrepreneurship.

JOIN US 3/10/11

The second annual
Women's Health, Wealth and Entrepreneurship Conference
for women of diverse ethnic and cultural backgrounds
throughout South Florida

"The New Realities, and How to Still Work Your Dreams"

New laws, new leaders—what does it all mean
for women of all cultures, working hard for their dreams?
