

DIALOGUE ON DIVERSITY

Thirty Years of Service to America's Diverse Communities

2023 Internet Data Privacy Colloquium Privacy, Communications, and The Law

Friday, February 24th, 2023, 10am - 4pm
UNIDOSUS -- Raúl Yzaguirre Bldg.
1126 Sixteenth St., NW, Washington, D.C.

A Social Existence — its essentials lie at the roots of the modern American public philosophy. The wisdom of the New World celebrated the essentials of civic life: Home, Hopes, Speech and Advocacy, the sacrosanct world of “Effects” The stuff of Privacy is the guarantor of these. The Law, fashioned by Legislatures and refined by Courts, is perpetually critiqued and perfected. Today we assess its problems and its excellences for 2023.
