DIALOGUE ON DIVERSITY CELEBRATES WOMEN'S HISTORY MONTH

Presented with the American Federation of Teachers and Collaborating Organizations

WOMEN: THE COMMUNITY – XXI CENTURY STRUGGLES FOR EQUITY

Dialogue on Diversity, observing the universal Women's History Month, sounds the tocsin calling women to awareness and to a clear assertion of their interests and their values in the civic and social dimensions of their societies. In the yearly observance, part celebration, part call to arms, the Dialogue presents a Public Policy Forum dedicated to facing and mastering the tasks that confront women in the world of 2014. March: the time of year appointed for reflection and a renewal of resolve.
