YOUR CORDIAL INVITATION TO JOIN WITH DIALOGUE ON DIVERSITY FOR THE
INTERNET DATA PRIVACY COLLOQUIUM, 2014
LIGHTS IN THE DARK WOODS OF SURVEILLANCE

WEDNESDAY, JANUARY 22, 2014,* 11:00 A.M. – 3:30 P.M.

THE MICROSOFT INNOVATION CENTER 901 K STREET, N.W. WASHINGTON, D.C.

AGENDA

11:00 a.m. INTRODUCTION AND GREETING:

11:15 COMMERCIAL DATA COLLECTION AND THE PERILS TO PRIVACY

Tracking and other modes of “reading” internet users’ commercial potential. State of the art techniques. No-tracking rules, opt-in, opt-out, official regulation constraining tracking and other practices.

12:15 p.m. MIDDAY SESSION/ LUNCH -- FEATURED SPEAKERS

1:00 MEDICAL INFORMATION TECHNOLOGY AND PRIVACY

The mechanisms of medical records: their storage, assembly, and the grant of access. Can medical treatments be safe and effective in the absence of full, unedited, and real-time histories of patients? The state of legal regulation: an evolving judicial protection of privacy interests? The statutory developments: HIPPA, ACA, other initiatives?

1:45 SOCIAL NETWORKS

Privacy Rules, proposed, announced, changed by network hosters - Facebook, Twitter, etc. Governmental regulation of social networks? Constraints, legal and informal (familial), on use of networks by young persons. The erasability of social network submissions – the concept and the practice.

2:30 GOVERNMENTAL INFORMATION COLLECTION

Legal Constraints? Permissive statutes? Judicial developments? Reactions to six months’ intense publicity concerning pervasiveness of U.S. governmental collection of data. Facial Recognition and other “high-tech” modalities for data collection. Use of “data mining” by police and governmental investigative agencies? Law Enforcement Requests/Subpoenas to ISPs for data (blanket or sharp-focus)
